

Amendment No. 2 to MSA

1. Liability Cap

Section 5 is replaced so that Provider aggregate liability shall not exceed \$1,000,000.

2. Availability

The availability target is increased from 99.5% to 99.9% beginning September 1, 2026.

3. Formatting

The heading previously styled "SERVICE LEVEL" is now styled "Service Level." No substantive meaning is intended.
