

BrightArc Executive Employment - Building Access Log

Access Log

2026-11-05 14:47 - Badge JM-004 assigned to Jordan D. Mercer - Records Room - ACCESS GRANTED.

2026-11-05 14:49 - Badge JM-004 - Records Room - EXIT SENSOR.

System note: badge assignments are maintained by facilities. This log records badge activity; it does not independently prove who physically carried the badge.

General Provision GP-01

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-01 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

General Provision GP-02

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-02 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

General Provision GP-03

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-03 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

General Provision GP-04

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-04 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

General Provision GP-05

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-05 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

General Provision GP-06

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-06 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

obligations.

General Provision GP-07

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-07 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

General Provision GP-08

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-08 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

General Provision GP-09

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-09 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.
