

# MetroVale Managed Services - Review Meeting Minutes

## Meeting

Review meeting held 2026-11-15 from 3:05 p.m. to 4:10 p.m. Attendees included Jordan J. Mercer, Casey Rowan, and Morgan Vale.

## Discussion

The group discussed the pricing issue and Amendment 1. Minutes state the current notice period is 30 days until Amendment 2 becomes effective.

## Referenced Material

The minutes refer to "Exhibit Z - Cost Reconciliation". Exhibit Z is not included in this benchmark packet.

## Action Item

Morgan Vale will provide a reconciliation summary by 2026-11-28.

## General Provision GP-01

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-01 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

## General Provision GP-02

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-02 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

## General Provision GP-03

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-03 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

## General Provision GP-04

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-04 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

## General Provision GP-05

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-05 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

obligations.

#### **General Provision GP-06**

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-06 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

#### **General Provision GP-07**

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-07 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

#### **General Provision GP-08**

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-08 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

#### **General Provision GP-09**

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-09 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

#### **General Provision GP-10**

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-10 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.

#### **General Provision GP-11**

For purposes of this synthetic agreement, the parties will maintain complete written records concerning performance, notices, approvals, invoices, and changes. No statement in General Provision GP-11 modifies a specific commercial term stated elsewhere unless an amendment expressly identifies the affected section. Headings are for convenience only. Administrative renumbering, pagination, typography, and corrected spelling do not by themselves alter substantive obligations.
